Hackathon

Open Innovation with Intel® oneAPI AI Analytics Toolkits

Problem Statement

Ideas can come from anywhere. Open innovation theme accentuates your imagination with the least restrictions. Build the ideas that you believe in! We invite all ideas across all domains, where you could solve some compelling problems with your innovative solutions. Put your thinking caps and start submitting your innovative ideas

Expected Output

Using oneAPI skills, participants are expected to come up with a solution rooted in machine learning for the determination of the solution for the given problem statement.

Mandate

Participants must use Intel oneAPI AI Analytics toolkits.

NOTE: Regular meetings will be conducted by Intel to clear all the participants' doubts regarding oneAPI, errors in the code, the project, etc.
